FEBRUARY 2023

Wow! February went fast. We were so busy playing and learning in class, and getting new friends registered for next year! What a full month it was!

CLASSROOM UPDATES

All the classrooms had a super fun Valentine's Day with their cuddle buddies. Thank you all for the extra work of pjs, stuffed animals and valentines on that day.

This month the Butterfly and Firefly Classes finished their BUILDINGS study, did some fun February activities, and now have started a SPACE study.

The Ladybug and Grasshopper Classes learned about Community Helpers all month and that included some special visitors, lots of mail, and a trip to the POST OFFICE.

The Caterpillar focused on lots of seasonal activities and sending and receiving mail. They also got to go to the Post Office.

The Dragonfly Class also sent some mail at the Post Office and is doing an Author Study of Steve Antony and all his Mr. Panda books.

The Bumblebee Class finished their clothing study with 2 field trips to make their own clothes- a hat and a t-shirt! They are also doing an Author study of Steve Antony (Mr. Panda) and Mo Willems (Pidgeon and Elephant and Piggie).

EVENTS

3-9 Cupcake Pick Up at IPS: All cupcake orders must be picked up between 4-6pm on March 9th. They come frozen and we can't store them here.

3-13 to 3-17 Spring Break: IPS is closed.

3-27 Or 28 Dental Screens from I-Smile: Permission forms went home this week.

4-27 IPS BINGO Night at West Hill: More details to come, but this is a community event and all families are welcome!

FUNDRAISING

We don't have any specific fundraisers currently happening, but as the weather is warming up we have realized we are out of sidewalk chalk and bubbles. If you would like to donate any to IPS, our students and teachers would be very happy!

Remember- we collect Hy-Vee receipts all year, too.
